

Changes to Bus timings

Please be aware that First have significantly reduced bus services between Felixstowe suburbs, the Town Centre and Ipswich.

There is no longer a service 76 serving Old Felixstowe – eg Western Avenue/Cliff Road/High Road East/Rosemary Avenue/Colneis Road/**Grove Surgery**/Town Centre. I imagine this is going to cause problems for some older non-drivers who need to get to Grove Surgery or into town for shopping for basic needs.

Service X7 fast from Grange Farm circuit to Town Centre and onto Ipswich station **is suspended indefinitely.**

Service 75 has an hourly service leaving Coronation Drive (Anne Street) at 0557, 0657, 0754, 0854, then 54 mins past the hour until 1654, then 1803, 1903 & 2103.

This serves Great Eastern Sq at 20 mins past the hour from 0620 to 1720, then 1825, 1925 & 2125 and serves Ipswich Hospital.

Service 77 has an hourly service leaving Landguard Viewpoint at 0633, then every hour to 1733.

This serves Great Eastern Sq at 50 mins past the hour from 0650 to 1750.

Service 173 to Woodbridge is running a Saturday service.

Trains to Ipswich – are running the usual service (with very much greater reliability these past two weeks) **except** the 0747 and 0928 will not run.

The issue for me is vulnerable people not being able to get the surgery (by way of the 76) or from Old Felixstowe into town & back for basic needs shopping.

Hope this is a helpful heads-up.
