

***EXTENSION TO RAILWAY RAMBLINGS** 1.7m / 2.73km

When you cross **Bridleway Bridge**, instead of going down the ramp, take the steps to the right. Then take the footpath in front of you that runs alongside the railway line.

A At the end of the path, look over the railway line and you will see a footpath opposite. There used to be a stile here to cross the line when it was a single track. Turn left here and the narrow path runs between two properties.

B The path joins Grimston Lane. Turn right here and walk along the road until you reach the level crossing. **C** At this point you could retrace your steps and walk back to point **B** then **G** and ⑭.

C Cross the road (Thorpe Lane) to the footpath opposite which runs alongside the railway line.

D About 200 metres along the footpath you will see a sign for a footpath going to the left. Take this and walk towards the copse. (The track ahead running alongside the railway line is not an official footpath.) The path passes some fishing lakes on your right and then emerges onto Thorpe Lane.

E Turn left here and walk carefully along this road. At the next corner is a cul-de-sac to your right, continue straight ahead on a footpath between the cottages to the side of a metal gate. One of these cottages is known locally as **Plague Cottage**.

F Take the footpath into the field. This bends to the left and then goes diagonally across a field. It emerges on to Grimston Lane at point **B**

Turn right and walk along Grimston Lane. On your right you will pass **Flory's Farm**.

G Ignore a road to the right at the corner where the road bends round to the left and continue on Grimston Lane. At the end of the lane you will reach point ⑭. To your right is **Grimston Hall**. To complete the walk, follow the instructions from point ⑭ but continue straight ahead on the bridleway, do not turn left.
