**Subject:** Upcoming dates for your diaries

Dear member of the Greenprint Forum,

There are some dates upcoming that you may wish to be aware of, please feel free to share with others in your networks:

- **FREE Carbon Charter webinars for businesses.** Get the inside track on moving your business forward [Carbon Charter | Events Archive - Carbon Charter](#)
  - **19 October 1530-1630:** Net Zero and the Visitor Economy – Spotlight on Food and Retail
  - **24 October 1000-1115:** Starting the Journey to NET ZERO – Retrofitting
  - **2 November 1000-1100:** Net Zero and the Visitor Economy - Spotlight on Cultural and Visitor Attractions
  
- **Saturday 21 October 1230-1630: Kids Autumn Crafternoon** meet at the White Horse Community Pub, Thelnetham (near Diss). Join this event by **iFarm** for an afternoon making natural and recycled crafts for autumn and Halloween to help decorate the community pub

and make creations to take home. Walk to iFarm and forage for materials, help decorate the community pub and take creations home. Suggested donation £3 per child. [iFarm Kids Autumn Crafternoon \[Facebook\]](#)

- **Wednesday 25 October at 1100:** Group half-term litter pick at **Walton Recreation Ground** with Litter Free Felixstowe: [Group Litter-pick: Half term | Facebook](#)
- **Community Networking Events, Saturday 4 November 1000-1400:** Saxmundham [East Suffolk Community Networking Event – Green Suffolk](#) and **Wednesday 8 November 1000-1400:** Bury St Edmunds [West Suffolk Community Networking Event – Green Suffolk](#) Both of these events will enable community networking and connecting for groups, stakeholders and parishes that are working for environmental change. They have been organised by the Suffolk Climate Change Partnership with support from Greenprint and others.
- **Wild About Campsea** indoor meeting, **Saturday 18<sup>th</sup> November at 1900** at the village hall, Campsea Ashe, opposite the station. It's a free event but donations to cover expenses and enable WAC to donate to a hedgehog charity will be welcomed. Hot dogs (and vege dogs) will be on sale and hot drinks available. Children are welcome – there will be hedgehog related activities to enjoy! Bryony Farmer, one of our local hedgehog rescuers, will be sharing **advice and experience on how to make our gardens more hedgehog friendly and what to do if we encounter sick or injured animals**. Hedgehogs are a declining species, particularly in East Anglia where habitat removal and use of chemicals on intensive arable farms have decimated numbers. Our higher population density also means more road kill and injury from garden machinery and bonfires. However, domestic gardens are proving to be a haven if wildlife-friendly gardening techniques are adopted and gardens interlinked by “hedgehog highways”. Some idea of numbers attending would be helpful so if people intend to be there, please email [wildaboutcampsea@gmail.co.uk](mailto:wildaboutcampsea@gmail.co.uk) to let us know. Enquiries to Peter Marett on 07976 047164.

Do look out for the autumn issue of our full quarterly newsletter, due out in the next day or two, and do keep me informed of anything you would like me to share through our network whether as content for the main newsletter (the next issue due out late January) or in one of these email communiques inbetween the quarterly newsletters (the latter especially for anything with time sensitive like events that can't wait for the next newsletter).

Regards

Daniel
