The Occupier

Dear Sir/ Madam,

High Road, Trimley St Mary – Installation of new puffin crossing – April 2019

We are writing to inform you of planned work to install a new puffin crossing along High Road, Trimley St Mary outside of Trimley St Mary Primary School. The works are scheduled to partially take place during the Easter holidays, to limit any disruption. During the first week of works, our team will be working between 9.30am and 2.30pm to avoid school times. The works will also involve resurfacing, lining and street lighting upgrades.

The works are programmed to take place from 1 April and will continue until 19 April 2019. The times and dates of these works may change depending on the weather conditions. If they do change, we will let you know by updating the information signs on site.

Traffic will be managed by temporary traffic signals for the duration of the puffin crossing installation. However, an overnight road closure will be in place for up to 2 nights from 17 April 2019. The road will be closed between Faulkeners Way from 7pm to 5am. This is to enable the road resurfacing and lining to be completed.

Traffic will be diverted via Faulkeners Way whilst the road closure is in operation. Access to properties and businesses will be available at all times. If access is obstructed, please speak to one of our staff who will provide access as soon as it is safe to do so.

Yours sincerely

Suffolk Highways
