Please note that from 10<sup>th</sup> March 2021, the Charity Commission has appointed new trustees to manage **the Mary Dains's Mission and Holiday Fund Charity (No. 253412)**.

The Charity owns the Trimley Free Church, the Manse and its surrounding gardens.

The trustees want to update the Objects of the Charity from:

**Old:** a) To advance the Christian religion by means of mission work based on the buildings (Church and Schoolroom etc) and Manse at Trimley St Mary, Suffolk and b) To provide relief or assistance for Christian religious workers living within the local area who are in need of rest or recuperation.

**New:** a) to advance the non-conformist Christian Religion through the provision and maintenance of a Mission Hall and b) The relief of poverty in the area of benefit by the provision of facilities, grants, items or services to individuals in need or organisations supporting those in need including through the provision of accommodation.

This change in the wording would allow the trustees to provide homes for people of Trimley in the future as well as to hire out the church building to local organisations for community benefit.
