

Trimley St Mary Parish Council

Welcome to the Trimley St Mary Parish Council news May 2026

Village Seating: We have put in 2 new benches at Stennetts Playing Field and another 2 benches on St Marys Green including a picnic bench. A further 4 concrete pads have been installed to re-site the existing benches to preserve them for the future. This brings the total new seating to 40, helped by funding from County & district Councillors.

Allotments: The Parish Council are trustees for land, known as Town Field. This Charity of Ellis Kindge was originally established in 1876, and the land has been divided into several allotments for the Parishioners of St Mary for some years. £30 per year. If you would like to be added to the Waiting list, please email

Drinking water tap: To help reduce single use water bottles we have installed a public drinking water bottle filling tap at the Welcome Hall for all to use. The tap is situated down the left-hand side. There is a doggy bowl there too.

Welcome Hall: We are now taking bookings for 2026/7. We have vacancies for Regular & Private hire bookings, the hall can be used for a wide range of occasions, with the added use of a large separate kitchen, perfect for Birthday parties, baby showers, meetings, christenings, events, workshops, training to name just a few. We also have display boards to loan in the hall. We have the newly refurbished Pretyman room for up to 15 people, ideal for consultation groups, office space and more. Please contact the hall booking clerk with any questions or booking queries via any of the following ways:
