November 2018

Christmas Tree Switch On 30th November 2018

Yes it's that time already.

The switch on this year will be a little different, no charges for food and drink, instead we are looking for donations. Dispensing the hot chocolate, sausage rolls and mince pies will be Level Two Youth Project and Neighbourhood Watch coordinators and helpers. After costs the donations will be split between Level Two Youth Project and N/Watch. In addition there will be a Tombola and I would ask for donations to be delivered to N/Watch coordinators by 25th November.

Carols will be sung by Felixstowe Harmony, please join in and make the evening another memorable and enjoyable experience. This is the only fund raising for the year and helps us run our scheme.

Keep Safe – Front Door Video Door Bells

Earlier this year there was much in the local press about fitting front door video doorbells. The Police Commissioner authorised the purchase of several units for fitting in vulnerable and crime hit areas. The advantage of these units is that it takes a video recording of immediate movement and that of course includes callers at your door. It enables you to see and speak to the caller through your smartphone. I know of someone who has purchased one and is very impressed with the facility. Needs a smartphone, rechargeable battery operated so no wiring necessary and with home Wi-Fi connection. Depending on the make, facilities per model prices vary between £89 and £179 and can be found online, the cheaper one is available at Wicks. Like dash-cams these items are becoming more common and are all good in reducing and detecting crime.

Badger Bank

Many have asked what is going on in the field opposite Spriteshall Lane with the engineering work compound and machinery. Badgers have made numerous setts in the railway bank at the end of the field and destabilised the bank. Badgers have been removed without loss and the setts filled in with 40 tons of cement.

Scams Scams Scams They Never Stop

Not a day goes by when new scams are reported, last week Suffolk Trading Standards reported 100 people across Suffolk had reported receiving bogus phone calls from people purporting to be from the Inland Revenue demanding instant back payment that can be made by giving your personal bank details and pin number. The Inland Revenue and all Banks will never call asking for your pin number and bank account details. In fact nobody whoever they say they are should ask for or be provided with your bank card or credit card details however plausible the request.

Trimley St Martin Church: tower decorated with knitted poppies celebrates the end of WW1 one hundred years on.

Your Coordinators are:

Tony Allen, 15 High Rd, IP11 9QT

Fx. 274859 (Lead Coordinator)

email: tony@transportsecurityservices.com

Joyce Walford, 24 Spriteshall Ln.

Fx. 670371 (Treasurer)

Emma Pitt-Steele, 49 Cordy's Lane. (Web Master)

Carol Seaman, 2 Chatsworth Crescent.

Ray Wade, 4 Eaton Close

Tombola Donations Please
